

**FAYETTEVILLE SYMPHONY ORCHESTRA SUMMER MUSIC CAMP
JUNE 12-16, 2017 FOR RISING 8TH GRADE, HIGH SCHOOL, AND
COLLEGE INSTRUMENTAL STUDENTS**

The Fayetteville Symphony Orchestra Summer Music Camp will be held June 12-16, 2017 for rising 8th grade, high school, and college level instrumental students who have experience playing one of the following instruments: Violin, Viola, Cello, Double Bass, Flute, Oboe, Clarinet, Bassoon, Trumpet, French Horn, Trombone or Tuba. Unlike the traditional band or orchestra camp, the Fayetteville Symphony Orchestra Summer Music Camp is individually focused by offering small ensemble playing opportunities, daily group and individualized instruction, and masterclasses/lectures led by professional musicians of the Fayetteville Symphony Orchestra. The development of each student's leadership and musicianship is emphasized as students learn to work collaboratively in this fun and inviting musical atmosphere.

Student Reviews:

“The teachers were funny, good, friendly, and amazing people!”
“I improved my sound A LOT!”

“The camp went into a lot of topics not covered anywhere else, so as a player, I became better. It was also fun working in chamber groups which provided a different experience for me.”

Registration is currently open for the camp, and the deadline to register is June 1, 2017. Tuition is \$275 for the week, or \$300 with a private lesson. The camp will be held at Fayetteville Academy, 3200 Cliffdale Rd, Fayetteville, NC. Please note: though the camp is held at Fayetteville Academy, this camp is solely a Fayetteville Symphony Orchestra camp. Students from any school (public, private, or home school) that fit the age and experience requirements are welcome to attend.
